Re: Cleveland Heights Municipal Court's Annual Report for 2014

The Cleveland Heights Municipal Court continues to place a premium on providing efficient and courteous delivery of quality service to all persons who appear before the court. In addition, we have continued to improve courtroom security and collection procedures by improved diligence in these areas. In this, the court's 2014 Annual Report, I would like to bring to your attention the following matters:

- This year the court remitted over \$1,989,145 of revenues from all divisions to the City of Cleveland Heights. This year's remittances are about \$189,986 less than the 2013 remittances of funds to the city.
- In 2013, the number of traffic charges handled by the court was 26,456, in 2014 that number decreased to 22,246 charges processed. The number of charges for persons driving under suspension or without valid drivers licenses decreased; in 2013, there were 5,172 such charges. In 2014, that number decreased by 5% to 4,074. The number of speeding charges processed through the court decreased from 10,865 in 2013 to 7,480 in 2014.
- In the criminal division, the number of cases heard by the court in 2014 was 3,020 which was slightly less than the previous year. Our Probation Department continues its excellent work of supervising over 993 active cases.
- The court continues to make significant progress in its efforts to collect monies owed to the court. The court's strict enforcement of the policy that "all fines and costs are due on the day imposed", has resulted in an improved collection rate of fines imposed. The Court continues to refer some persons who are unable to pay fines and costs imposed to the Public Works Department of the City of Cleveland Heights, to perform community service for the city. The 33 individuals referred to Public Works performed a total of 1,023 hours of community service saving the city approximately \$19,917 in labor costs.
- The Probation Department supervises criminal defendants who have home detention in lieu of serving time in jail. Such defendants are required to pay a registration fee of \$25.00 and a daily fee of \$13.00 while wearing an ankle bracelet and are monitored 24 hours each day by an outside vendor. This is an alternative to jail and saves significant costs to the Cleveland Heights Police Department for not having to feed and monitor these persons in its jail or to pay other jail facilities to house its prisoners.
- The Court technology upgrade is yielding benefits in many ways. Starting in March through October 2013, the Court conducted 43 remote arraignments of defendants incarcerated in county and prison facilities throughout the State of Ohio. We have been able to resolve many cases while seeing and speaking with prisoners while they remain incarcerated. Police officers do not have to transport prisoners to and from facilities, a significant savings in transport costs and allowing officers to spend more time patrolling city streets.

We look forward to further improving the level and quality of services provided in the Cleveland Heights Municipal Court.

Respectfully submitted,
A. Deane Buchanan, Judge
